

TRIUMPH DESIGN AWARDS 2019

INSPIRING ENGINEERS OF THE FUTURE

At Triumph we encourage creative thinking, innovative problem solving and the ability to produce feasible solutions to real world challenges. Open to 6th form and college students (aged 16-18) of Design & Technology, the Triumph Design Awards is an opportunity to look beyond the classroom and showcase your work at a National level, by simply entering your Design & Technology coursework.

Open for entries from 1st March 2019

Submission Requirements:

A 500 word project summary - that's only a page of A4
10 photos to help grab our judges' attention
An optional 2 minute video to explain your project in a nutshell.

Prizes include:

£500 cash
The Triumph Design Award trophy
Paid work experience
Possible University Sponsorship
